Lovely! The initial health assessor passed away and **Ex. 6 Personal Privacy (PP)** is retiring. I sent an email to **Ex. 6 Personal Privacy (PP)** and requested the update to the health report. Let's see what she says. **Ex. 6 Personal Privacy (PP)** perhaps **Ex. 6 Personal Privacy (PP)** can help as backup.

Hi everyone,

I just spoke to the technical contact for this case and he informed me that the company is getting very anxious to finalize this case. I'm still waiting for a new health assessor to be assigned.

They day 90 is 01/10/19. The company is now asking the technical contact how many times has a suspension been granted. The technical contact feels that his company will be requesting a conference call with EPA to explain what happened/ is happening with this case. The technical contact told me that he will let me know more specifics about the upcoming conference call when he has the information.

Thanks,

Subject: Reassignment of health assessor for P-17-0191

Good morning Ex. 6 Personal Privacy (PP)

I'm a new PM in New Chemicals. I am assigned to P-17-0191 (this case was previously Ex. 6 Personal Privacy (PP)) and I submitted a data review memo for this case on 11/14/18. I spoke to Ex. 6 Personal Privacy (PP) last week and she informed me that she is no longer doing these assessments. Could you please let me know who this case is reassigned to?

Thank you!
